20 APPLE, INC.

21 Defendant.

Case No. 3:16-cv-02595

JOINT STIPULATION TO CONTINUE  
INITIAL CASE MANAGEMENT  
CONFERENCE

23 Pursuant to Civil Local Rules 6-2 and 7-12, and through counsel below, plaintiff Realtime  
24 Data, LLC d/b/a/ IXO and defendant Apple, Inc., hereby stipulate that the initial case management  
25 conference, currently scheduled for August 31, 2016, be continued to September 7, 2016, at 1:30  
26

p.m., or the next available date convenient for the Court, and that the parties submit a joint case management statement at least seven days prior to September 7, 2016 or other available date.

In accordance with Civil Local Rule 16-10, the initial case management conference was set for August 17, 2016 by the Honorable Donna M. Ryu. After the matter was reassigned to this Court, the initial case management conference was reset for August 31, 2016. Good cause for a continuance of this date exists due to scheduling conflicts with hearings before the United States Patent & Trademark Office and the Eastern District of Texas in unrelated matters being handled by plaintiff's counsel, which were set in advance of the conference here. There are no pending deadlines aside from the initial case management conference, and thus a continuance would not require any additional modifications to the existing case management schedule.

Respectfully submitted,
